

# List of Tables

Table 1. Stakeholder Identified Priority Subwatersheds by Parameter or Concern and Baseline Concentrations (in 2000) ..... 15

Table 2. Sources and Causes of Negative Impacts on Water Quality Parameters Identified by Stakeholder Committee ..... 17

Table 3. Summary of Implementation Year 3 Milestones ..... 20

Table 4. Adaptive Management Toolbox..... 22

Table 5. Land Use in Cypress Creek Watershed, 2009..... 36

Table 6. Land Use In Cypress Creek Watershed, Future Development Scenario ..... 37

Table 7. Land Use Area Changes In The Watershed. .... 38

Table 8. Reclaimed Water Quality Standards ..... 43

Table 9. Water quality parameters, primary sources, and their potential causes ..... 45

Table 10. Cypress Creek Designated Uses and Criteria ..... 49

Table 11. EMC Estimates for Selected NPS Constituents (From Baird Et Al., 1996)..... 53

Table 12. Target Levels For Pollutant Constituents And Parameters Of Concern..... 55

Table 13. 2009/Existing Development Scenario ..... 56

Table 14. 2050/Future Full Development Scenario ..... 56

Table 15. Existing Scenario: Contribution from Source Land Uses..... 58

Table 16. Future Scenario: Contribution from Source Land Uses ..... 58

Table 17. Land Use Contributions to Nitrogen and TSS Loads ..... 59

Table 18. Total Current and Future Fecal Coliform Loadings ..... 67

Table 19. Total Current and Future Oil and Grease Loadings..... 68

Table 20. Comparison of Flows at High And Low Oxygen Levels ..... 70

Table 21. BMP Toolbox for Initial Implementation, years 1-3..... 75

Table 22. Education and Outreach Implementation Plan ..... 89

Table 23. Examples of Performance Indicators ..... 99

Table 24. Monitoring Plan Components and Communication of Monitoring Results. .... 99

Table 25. BMP Toolbox for Adaptive Management by Stakeholder Committee ..... 108

Table 26. Measureable Milestones for Implementation Phase – Surface Water Protection Strategy ..... 110

Table 27. Potential Ground/source water Protection Strategy Benchmarks..... 114

Table 28. Nitrogen Concentration Targets ..... 116

Table 29. *E. coli* Concentration Targets ..... 116

Table 30. TSS Concentration Targets ..... 117

Table 31. Partial List of Pledged In-kind Implementation Funds..... 118
